

Be Part of the Excitement

Schenectady is growing - there is a resurgence of Economic Development happening all around the county, not just the City.

The Schenectady Rotary Club is offering an opportunity for you to 'leave your mark' by purchasing your place on the clock. The clock will hold 4 plaques that will accommodate up to 25 inscriptions per plate. You can add your name, family's name, your business, or in memory of a loved one.

Permanently join the revitalization of the City. We are seeking donations to bring this projection to fruition.

Significance of the Clock

Schenectady Rotary has stood the test of time - serving Schenectady and the surrounding areas for over 100 years. To commemorate our 100th anniversary, we decided to leave a lasting memorial. Thus the Rotary Centennial Clock idea was born.

The Club will be gifting the clock to the City of Schenectady as an everlasting memorial.

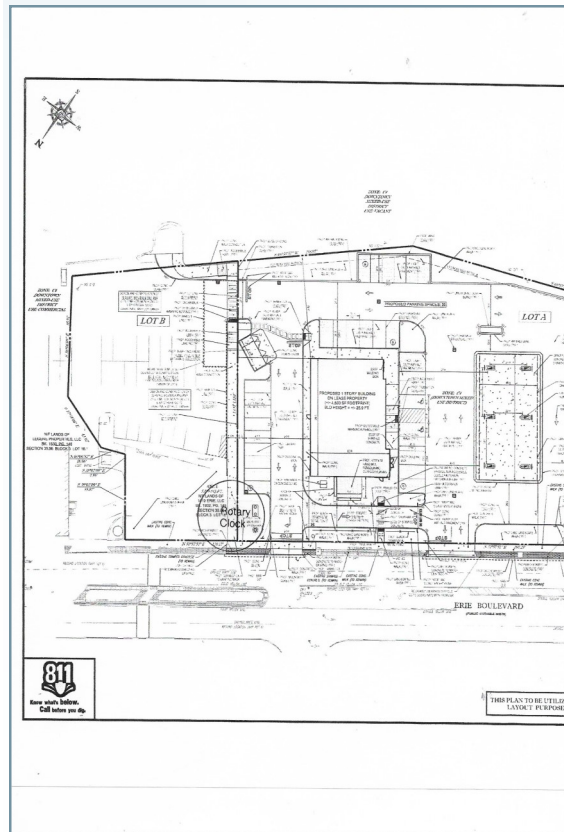

About Rotary

The Schenectady Rotary Club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Location

The clock will be located on Erie Blvd, directly across from the Jay Street Bridge, in the area that will become the pedestrian walkway linking Jay Street to Erie Blvd.
