Students in Schenectady need your help! Keeping with our century-long tradition of supporting youth in our community, Schenectady Rotary is partnering with the Adirondack Cornhole League to bring you our 2nd Annual Cornhole Tournament, **Cornhole for a Cause**. We are excited to announce that this year's event will be hosted by our Event Sponsor, River's Casino and Resort, at Mohawk Harbor in Schenectady, on Sunday, July 9, 2023. **Cornhole for a Cause** features a day-long tournament for professionals and amateurs alike, as well as an assortment of raffles, auctions, and retail vendors.

This fundraiser benefits the **Schenectady City Schools Community Schools Initiative** which provides students and their families access to medical and mental health services, food, clothing, childcare, transportation, and enrichment programs. Proceeds will be used to fully furnish a resource room at an elementary school where families can access these services and various household amenities.

We are asking for your sponsorship in support of Schenectady's children and their families. Please complete the attached form and return it by April 10, 2023.

Thank you in advance for your commitment to Schenectady's youth. Please don't hesitate to contact me at BKeller@nbtbank.com or 518-381-4512 with any questions.

Sincerely,

A handwritten signature in black ink that reads "Bonnie L. Keller".
