May 7, 2025

We invite you to support **Schenectady Rotary's 4th annual Cornhole for a Cause** on **Sunday, June 29, 2025**, at **Rivers Casino**. This fun and impactful event helps us uplift students and families at **William C. Keane Elementary School**—and support other Rotary service projects that benefit our community.

Through your past generosity, our partnership with Keane has made real progress.

Together we have:

- Donated Community Resource Room **supplies, winter coats, and corrective lenses** to meet urgent student needs
- Provided **Literacy Kits** and hosted the school's first **Book Fair** in 8 years
- Funded incentives for Keane's **Never Been Absent (NBA)** program, helping achieve the **highest attendance in the district**
- Volunteered for **career days, tutoring, school beautification, Earth Day and Halloween events**

Your sponsorship for 2025 will help us continue:

- Supporting **literacy and attendance initiatives** at Keane
- Funding **Community Schools events and student needs**
- Providing **scholarships for Schenectady High School seniors**

Your contribution allows us to respond where the need is greatest. Sponsorships include recognition at the event, online visibility, and the satisfaction of making a difference.

Together, we can continue building brighter futures—one student, one family, one community at a time.

With appreciation,

Schenectady Rotary Club
