We invite you to support **Schenectady Rotary's 4th annual Cornhole for a Cause** on **Sunday, July 12, 2026**, at **Rivers Casino**. This fun and impactful event helps us uplift students and families at **William C. Keane Elementary School** and support other Rotary service projects that benefit our community.

Through your past generosity, our partnership with Keane has made real progress.

Together we have:

- Donated Community Resource Room **supplies, winter coats, and corrective lenses** to meet urgent student needs
- Hosted several **Scholastic Book Fair's** ensuring every student received a book.
- Funded incentives for Keane's **Never Been Absent (NBA)** program, helping the school achieve top 2 **attendance in the district**
- Seen substantial improvements in both **Math and ELA/Literacy scores**
- Volunteered for and funded **career days, tutoring, school beautification, and community events**

Your sponsorship for 2026 will help us continue:

- Supporting **literacy and attendance initiatives** at Keane Elementary School
- Funding **Community Schools events and student needs**

Your contribution allows us to respond where the need is greatest. Sponsorships include recognition at the event, online visibility, and the satisfaction of making a difference.

Together, we can continue building brighter futures: one student, one family, one community at a time.

With appreciation,

Schenectady Rotary Club
