Co-Presidents
Brie Ptak-Mimura
Jessica Hughes

Vice President
Gretchen Belanger

Treasurer
Mac Sudduth

Secretary
Lily Alvarez

Directors
Brad Murray
Deborah O'Connor
Joanne DeVoe
Bonnie Keller

We invite you to support **Schenectady Rotary's 6th annual Cornhole for a Cause** on **Sunday, February 28, 2026**, at **Rivers Casino**. This fun and impactful event helps us uplift children locally and globally through Rotary service projects that benefit our community and beyond.

Through your past generosity, our partnership has made a great impact through local education programs and student support.

Together we have:

- Built a Community Resource Room at Keane Elementary School, thus providing resources and free laundry facilities for the families.
- Donated Keane Elementary School Community Resource Room **supplies**, **winter coats,** and **corrective lenses** to meet urgent student needs
- Hosted several **Scholastic Book** Fairs at Keane, ensuring every student received a book.
- Funded incentives for Keane's **Never Been Absent (NBA)** program, helping the school achieve the top two **attendance rates in the district**
- Seen substantial improvements in both **Math and ELA/Literacy scores at Keane.**
- Volunteered for and funded **career days, tutoring, school beautification, and community events.**
- Supported multiple Schenectady High School students with **scholarships for advanced education**.
- Sponsored and hosted incoming and outgoing youth exchange students to build peace through understanding.

Your sponsorship for 2027 will help us continue:

- Supporting **literacy and attendance initiatives** at local community schools.
- Funding **Community Schools events and student needs**
- **Supporting children in Schenectady and internationally** through new and existing education, health, and nutrition-related programs.

Your contribution allows us to respond where the need is greatest. Sponsorships include recognition at the event, online visibility, and the satisfaction of making a difference.

Together, we can continue building brighter futures: one student, one family, one community at a time.

With appreciation,

Schenectady Rotary Club
